The Art of Reflection. Spectacular mid-century, re-imagined by famed modern architect Jim Jennings, featuring a 40x20 foot reflecting pool. The world-class landscaping by Coen Partners is extraordinary, providing dramatic water views, protected by a birch grove for privacy. There is a visceral feeling of serenity and beauty throughout, and a feeling of oneness with the lake. The Duratherm custom windows are massive, and perfectly frame the symmetry. The Valcucine Italian kitchen features Dornbracht fixtures and a commercial-grade stove. All interior doors are pivot hinge, so there is no visible door hardware. The lower level features Italian tile floors and an Extreme gas fireplace. The motor court can accommodate 7 cars and has a heated snowmelt system. The oversized heated garage is fully finished, with high-end cabinets for neat storage. The location is ideal; walkable to Linden Hills, the Lake Harriet Bandshell and Uptown.
